OUR STORY.

Sunset Hospitality Group was founded in 2011 by Antonio Gonzalez and Ahmad Hafez, with a shared vision to create unique experiences worldwide through a diverse mix of hospitality concepts. From the outset, SHG established itself as a pioneer, delivering exceptional experiences and reshaping the industry landscape. From the Spanish restaurants Tapeo and El Sur to specialty venues like Rare, Chic, Regina and Story, the Group delivered memorable experiences.

In 2016, SHG ventured in Daylife with Azure Beach, followed by Drift Beach in 2017. Later in 2018 launched the mega nightclub Stage in Dubai. That same year, SHG began its international expansion with openings in Kuwait and Bahrain and additional openings in the United Arab Emirates. Building upon this momentum, the Group launched several new brands in 2019, including Mood Lounge, and entered key markets such as the United Kingdom and the Kingdom of Saudi Arabia.

SHG introduced 10 new brands in 2021, including SUSHISAMBA, AURA Skypool, and opened its first hotel in Bodrum under the new brand METT Hotels and Resorts, expanding its portfolio to over 30 venues. The Group welcomed 2022 with the opening of DREAM and Garden of Dream, followed by L'Amo Bistro Del Mare, ATTIKO and the highly anticipated MOTT 32.

In 2024, SHG continues to solidify its position as a global leader in hospitality management by expanding its footprint with multiple hotels and resorts and a growing lifestyle hospitality portfolio encompassing 17 countries and more than 64 venues.
